Gain confidence and realize your personal strength regardless of age or size.

- Our instructors, experienced in self-defense skills, train participants in techniques designed to be effective against a perpetrator regardless of the perpetrator's size and strength.
- Equal time will be spent on teaching effective verbal and physical self-protection techniques, including hand strikes and releases.
- Experienced instructors are trained in self-defense skills proven to work well for women.
- The Blue Bench believes in empowering those who want to learn and practice self-protection techniques with the opportunity to do so in a safe space, with specific attention to the dynamics of sexual violence that disproportionately impact community members who are female-identified, trans-identified, gender non-conforming, non-binary and gender expansive.
- Suggested Donation Amount for course: \$15

Putting an end to sexual assault through prevention and care.
