Companies that Match Employee Contributions

Many companies/corporations/foundations offer matching gift programs, whereby they will match your charitable gifts. Some companies offer a greater than 1:1 match. You can inquire with your human resources office to find out if your company has a matching gift program. If so, simply fill out the form provided by your company and include it with your gift to The Blue Bench.

If your company is not listed or listed incorrectly, please contact Karmen Carter at kcarter@thebluebench.org.
