

2020 HOTLINE ADVOCACY TRAINING DATES

Hotline Advocates are trained in crisis management and provide support and information to survivors of sexual assault and their loved ones. Because calls are confidentially patched through to any number the advocate likes, working on the hotline is an incredibly flexible way to make a very direct impact. While previous experience with advocacy work is not required, we require hotline advocates to attend our 40-hour hotline training and to commit to picking up 4 shifts (6 hours each) per month for at least a year. Attendance at every training is crucial. Each training session constitutes all dates listed in a column.
