

# RISE

The Blue Bench presents its fourth-annual art exhibition featuring **art made by survivors of sexual violence.**

RISE amplifies the **stories, voices, and healing journeys** of survivors in honor of Sexual Assault Awareness and Prevention Month.

“Roses in Crackle” by  
Laura Green

In the state of Colorado, 1 in 2 women, 1 in 2 transgender/non-binary individuals, and 1 in 3 men experience sexual violence in their lifetime.

The Blue Bench is a **community of survivors, allies, and advocates** working to prevent sexual violence and build a safe and supportive metro Denver.

We work collaboratively to provide accessible, survivor-centered support services and empowering education.

“RISE is a place where I display my most vulnerable pieces to share with the world.”
